## UnityPoint Health

# How to Make a Payment

1. Click **Menu**.

2. Select **Pay My Bill**. This can be found under both the Featured Items section and Billing section.

3. After selecting Pay My Bill, you will be taken to the MyUnityPoint Online Bill Payment screen.

4. It's important to read all of the information under MyUnityPoint Online Bill Payment, so you select the correct link to pay your bill.

**Menu**

Search the menu                                    Cancel

**My Record**

**Billing**

Billing Summary                                           >

Estimates                                                       >

Pay My Bill                                                   >

**Insurance**

Insurance Summary                                     >

**Sharing**

## MyUnityPoint Online Bill Payment

While most of our UnityPoint Health locations use our online bill payment services, some of our affiliated community partners may use another vendor for these services. **If you are unsure, please use the links below to see a list of locations for each option:**
- Locations utilizing UnityPoint Health's Online Bill Payment
- Locations using another online bill pay partner.

If you received a UnityPoint Health bill or statement, you may pay it here:
